

First International Conference Vibration Control In Optics And Metrology: 25-26 February 1987, London, England

by L. R Baker; Daniel Vukobratovich; Institute of Acoustics (Great Britain); Society of Photo-optical Instrumentation Engineers; Sira Limited

First International Conference, Vibration Control in Optics and . First International Conference on Optical Fibre Sensors: 26-28 April 1983 . Britain, England, Wales, and Scotland, with the Orkney and Shetland islands, . Vibration Control in Optics and Metrology: 25 - 26 February 1987, London, England First international conference vibration control in optics and . ?not available for this record. Biographical notes are generated from the bibliographic and archival source records supplied by data contributors. Book Catalog: fir - vol. 46
